

Kyriad continues its expansion in France with the opening of Kyriad Prestige Asnières

Following two years of construction, the Kyriad Prestige Asnières hotel opened its doors on July 1st. With 98 rooms, the Kyriad hotel adds to the hospitality offerings for both business and leisure clients in this growing city.

With just a few weeks until the Paris 2024 Olympic games begin, this establishment's opening is ideal, as it is situated just a few minutes away from the Stade de France by public transport.

The four-star Kyriad Prestige Asnières hotel represents Louvre Hotels Group's dynamic growth in France, its historical market. Another proof of its expansion objectives : this is the third opening in a few months for the Kyriad brand.

Owned by Clémence Taittinger, this new establishment boasts a modern and sleek décor designed by the architect Philippe Maidenberg. It is in harmony with the rehabilitation project of the Asnières industrial zone and promises travelers an unforgettable experience, whether their stay is for business or leisure.

An all-encompassing offer that meets all the customer's needs

Among the 98 spacious and comfortable rooms situated over eight floors, the hotel offers 42 double rooms, 42 twin rooms measuring approximately 19 square meters of which 8 are adjoining rooms for families. There are also 11 premium rooms measuring 25 square meters and three accessible rooms for guests with mobility issues. Each room is furnished with high-end beds and a spacious bathroom with a shower or bathtub. A workspace with a Nespresso coffee machine and a large flat screen television with Chromecast are also included.

Clients enjoy a **full breakfast with an all-you-can-eat buffet** which includes a variety of fresh and local hot and cold dishes, including gluten-free products and grain toppings. With its cozy atmosphere and elegant décor, the **30-seat bar-lounge** is open to enjoy a drink with friends or colleagues. It boasts an exceptional coffee machine, the Marzucco KB90, along with a selection of snacks.

To better welcome clients, this pet-friendly hotel also features a patio and a seminar space composed of two meeting rooms which accommodate 20 and 40 people respectively. A 37-space parking lot is available and charging stations for electric cars will soon be installed.

This hotel is ideally situated near the RER C, the A86 freeway, and the future metro line 15.
