

The Kyriad La Rochelle Centre-ville has a new look!

After one and a half years of work and nearly 1 million euros invested, the Kyriad La Rochelle Centre-ville ***hotel boasts a complete renovation of its rooms and common spaces.

Featuring 45 rooms of which two are handicapped-accessible, the hotel has 41 double/twin rooms and four family rooms, all completely renovated, as is the ground floor with its reception area, breakfast room, lobby, and bar.

The rooms have been carefully crafted and have all the comfort and equipment needed for a great stay: high-quality bedding, memory foam pillows, flat screen televisions and private bathroom.

The Kyriad La Rochelle Centre-ville welcomes its guests in its spaces with their unique design, including a tapas bar with a vast choice of regional products from its partners and local producers such as the Autruches de Laurette and the Beun'aise, a local beer producer.

The breakfast area has also been renovated. Customers can enjoy a complete buffet offering savory and sweet products, as well as vegetarian and vegan choices.

The hotel also has a seminar room and can accept pets.

Easy to access from the A10 highway, the Kyriad La Rochelle-Centre-Ville is near the train station and 7 kilometers from the airport. There is easy access to the Old Port and the aquarium, as well as the different local museums (Museum of the New World, the Fine Arts Museum, the Maritime Museum and the Museum of Natural History).

Entirely renovated by the DET architecture firm, the hotel also has private and secure parking with 20 spaces.
