

The Kyriad Saumur-Centre has finished its expansion work for a whole new experience!

The Kyriad Saumur-Centre ***hotel's renovation work finished up in May, and the hotel is now featuring 20 rooms and 4 additional apartments, new common spaces, a private underground parking garage as well as a spa and heated indoor pool.

In addition to the 20 new rooms of which three are accessible for people with mobility issues, and four apartments, the Kyriad Saumur-Centre has also redone its 90 square meter breakfast room which now opens onto a lush outside patio, as well as its reception area where comfort and refined modernism are key.

Today, the hotel offers 49 rooms, including family rooms that can accommodate up to six people and spacious apartments that can accommodate five people. The look is one of comfort, elegance, and ease of living: high-quality bedding, memory foam pillows, flat-screen televisions, air-conditioning, high-speed fiber internet, elevators...

The Kyriad Saumur-Centre welcomes guests in its inviting spaces, including a bar-salon for relaxing and an all-you-can-eat buffet breakfast. For an unforgettable experience of relaxation and elegance, the hotel developed a 250-square-meter spa that has a heated indoor pool, jacuzzi, sauna, a multi-sensory Norwegian shower, as well as three massage rooms of which one is for couples, all in collaboration with the SOTHYS PARIS brand.

Ideally situated in the heart of Saumur's historical city center, 50 meters from the pedestrian zone and 150 meters from the banks of the Loire River, the hotel now has a private underground parking garage. Saumur's castle is only a 10-minute walk, as is the famous Cadre Noir, the temple of French equestrian arts which is also the Calvary Museum.

Lastly, the hotel plays an important role in the local economy as the renovation works were done by Mr. Thoumazeau, a Saumur architect, as well as local businesses. Additionally, the Kyriad Saumur-Centre employs five staff members on long-term contracts as well as four seasonal employees of which two will stay on with long-term contracts at the end of the season, and five apprentices.
