

The Kyriad Le Mans-Est is being renovated!

After 18 months of work which began in April 2023, the Kyriad Le Mans-Est *** hotel has entirely renovated 40 rooms and all of the common spaces. This is the second large-scale renovation for this hotel; 30 rooms had been renovated in 2020.

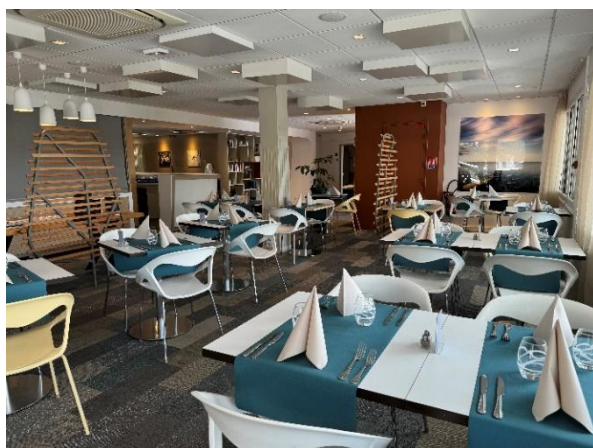

The 74 air-conditioned rooms of the Kyriad Le Mans-Est hotel are now totally renovated and bring together comfort, elegance and ease of living: high-quality bedding, memory foam pillows, flat-screen televisions and fully equipped bathrooms.

From the mini suite to the double or triple rooms and the adjoining rooms, all are adapted to the various clients' needs, whether they are alone, with a family or friends. Three rooms are accessible to people with mobility issues.

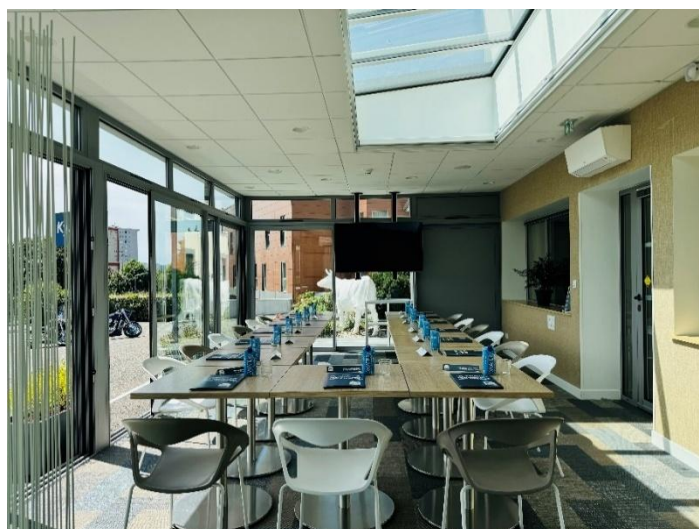

The Kyriad Le Mans-Est has also renovated the common spaces such as the reception area and lobby, even creating cozy spaces to encourage sharing and friendship. A library area that includes books and board games was also added, perfect for families with children or groups of friends.

Speaking of good food, the « Karnet de Voyage » restaurant is open Monday to Thursday evenings (the other days by advance request) and offers a local and abundant cuisine with a menu that changes every two months as well as daily or seasonal special dishes. A bar is also available to guests; it offers a large choice of beverages, notably a local beer called « Joli Coeur. »

Breakfast is offered as an all-you-can-eat buffet, featuring both sweet and savory items, with a strong emphasis on regional products. This is made possible through partnerships with local producers, such as “Le miel d’Arnaud” and the “Ferme de la Métairie”.

For businesses and professionals, the hotel has a 40 square meter equipped room with lunch service available for seminars.

Ideally situated, the hotel is near exit 23 of the A28 highway and has both a free above ground and underground parking garage with a charging station for electric vehicles. Its geographical

location allows for direct access to the city center (5-10 minutes by car) as well as public transportation and the various activity centers of the region (Papea Parc, Arche de la Nature, The Epau Abbey, Le Mans' historical city center, the Pôle Européen du cheval, the museum and 24 hours Le Mans racetrack, as well as the Zoo de la Flèche which is 50 kilometers away).

Lastly, the hotel plays an important role in the local economy, with its 18 employees ensuring its smooth operations.

Moreover, the Kyriad Le Mans-Est, always striving to enhance the quality of its hotel services, will also create a wellness area with a sauna and fitness facilities in 2025, along with exterior insulation work.
